KEY STAFF

Miss Howard
Transition Lead

My role at John Spence is a Geography teacher but I also have responsibility as the PSHE/RSE and Transition lead. I have worked at John Spence for 6 years and every day brings an exciting new challenge.

In my role as transition lead, I will be working closely with Mrs Brown and Mrs Wyllie to organise events to make transition an enjoyable experience. I am really looking forward to planning the transition days which will be taking place next half term (Tuesday 2nd and Wednesday 3rd July). The transition days will be an opportunity to experience the strong academic curriculum and pastoral care which we provide. In addition to this, pupils will be able to sample some of the extra-curricular opportunities which are on offer.

NEWS:

Last week we introduced you to class charts - the communication portal which lets you know how your child is doing throughout the school day. Another exciting aspect of life at John Spence is our new catering team. Since joining the Pele Trust, we have updated our menu and it is very popular with students. Please have a look at the attached menu.

As mentioned on the Welcome Evening, each year we provide pupils with the opportunity to attend summer school. Please read the attached letter, we would like to invite your child to summer school in preparation for starting with us in September. It will run from Monday 19th to Friday 23rd August. Although we appreciate not all students will be able to attend, it is a great opportunity to get to know the school a little more, meet key staff and share some positive experiences with other students.

TO DO:

- Please continue to make arrangements to order your child's school uniform.
- If your child would like to attend the summer school can I ask that you email leanne.brown@johnspence.org.uk (Mrs Brown, Head of Year 7) with the relevant details or contact the school office if you can't access email: Title (Summer School), your child's name (e.g. John Smith), your child's primary school (e.g. King Edward's) and the days they can attend (whole week or specific days)
